FOOD AND BEVERAGE SPONSORS

Thank you for supporting the BCPMA Annual Golf Tournament through your sponsorship. The following guidelines will assist you in preparing for the event and ensure we have accurate information for our signage and online promotions.

For Alcoholic Beverage Suppliers: A reminder of the rules for product sampling - The golf course must order the product in advance as the responsible licensee. The allowable amount of beer or wine to be sampled is 30mL (1oz) or 10mL of spirits per person. The course will then invoice your company for the cost of the product. All staff serving sample product must have Serving It Right and may not be affiliated with another licensee or liquor agent.

BEVERAGE TYPE	SINGLE PRODUCT	MULTIPLE PRODUCT
WINES	30 mL / 1 oz	75 mL
BEER	30 mL / 1oz	175 mL
SPIRITS	10 mL / 0.3oz	20 mL

The quantities for multiple product tasting apply only where you are presenting more than one product at a single tasting. The quantity for multiple products is a total of all products offered. For example, if you present three kinds of beer, you may offer a maximum quantity of 15ml of each beer to taste.

Any questions please contact: Andy Rova, Banquet Coordinator, at 604-538-1212 or
by e-mail at banquets@hazelmere.com

Timeline:

- Course set up will be organized by Hole placements on the front and back 9. You will be emailed your hole placement and set-up time on June 7th. The earliest set-up time will be 11:00 AM. There is usually a wait for the golf carts to take you to your hole so we highly recommend arriving on time.
- Shot gun start is at 1:00 PM. The tournament will take approximately 5.5 hours to complete. Please stay until all teams have played through your hole.
- Dinner will start at 6:30 PM.

Setup:

- A limited number of holes can be equipped with a table and chairs - see the next page. Table coverings or linens are the responsibility of the sponsor. Please come prepared for rain, just in case.
- There are trash cans or bags provided at each hole; however they are not very big.

- Ice to be purchased
- Staffing your station
- Supplying cups/plates/utensils - all disposable please
- Supplying napkins and table linens
- Supplying platters, chafing dishes or cooking units if necessary
- Clean up of your station
