#### OUR MISSION

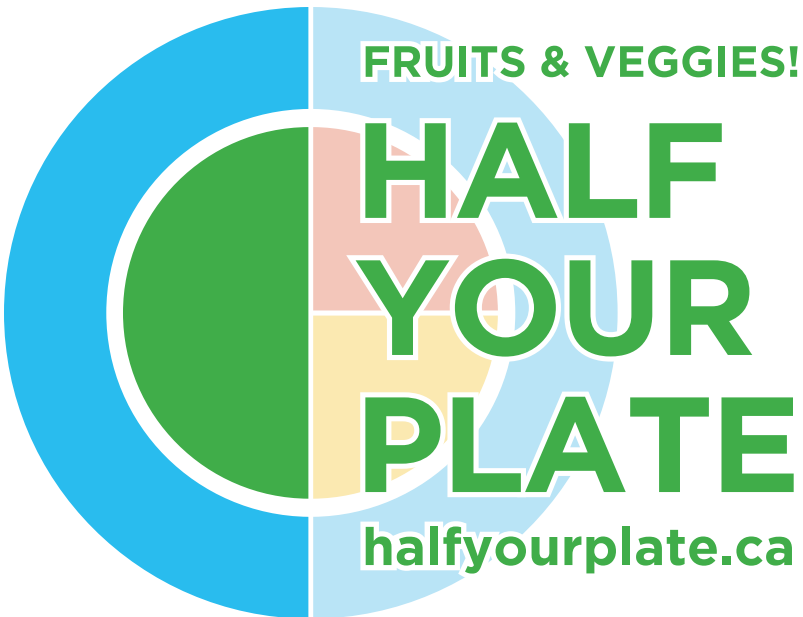

To promote the consumption of fresh fruits and vegetables in British Columbia and to provide a provincial-wide network & communications centre for the fresh produce industry of B.C.

*The main purpose of the B.C. Produce Marketing Association is as follows:*

- To promote trade services to our membership
- To support members with information that facilitates their business activities
- To support partnerships between industry players
- To promote the consumption of fresh fruit and vegetables, and to endeavor to increase the sales of British Columbia, Canadian and imported produce and products.
- To encourage and support personal integrity, financial responsibility and efficiency as essential to those who are qualified to engage in fresh fruit and vegetable distribution in B.C.
- To support desirable legislation and to oppose undesirable legislation.
- To represent the best interests of BCPMA with government authorities
- To provide services and facilities to the members of the B.C.P.M.A. and to assist them in carrying on their business as fresh fruit and vegetable wholesalers
- To promote new business relationships through organized networking activities
