RBC RACE FOR THE KIDS

THIS YEAR, WE PROUDLY RAISED
\$35,000—IN BOTH MONETARY AND IN-
KIND CONTRIBUTIONS—FOR BC
CHILDREN'S HOSPITAL.

Nearly 40 Years of Community-Driven Impact

Over 9,700 racers came together for the 2025 RBC Race for the Kids, celebrating four decades of unwavering support for BC Children's Hospital. Thanks to the collective efforts of the broader community, this year's event raised a record-breaking \$2.1 million –and counting.

We are especially honored that BCPMA has been part of this meaningful journey since the very beginning in 1986—nearly 40 years of standing alongside BC Children’s Hospital to support children and families across British Columbia.

This year, the BCPMA community contributed \$35,000 in both monetary and in-kind donations, helping bring care, comfort, and hope to those who need it most.

From fueling fun runs to handing out fresh, healthy produce, it is a privilege to continue supporting such an impactful cause.

A heartfelt thank you to all of our monetary and in-kind sponsors for powering the racers and making the BCPMA booth a crowd favorite on race day. Your generosity continues to make a meaningful and lasting difference.

And a massive thank you to all our wonderful volunteers! Your support was invaluable, and we look forward to growing our volunteer community even further next year.

CPMA X BCPMA PROFESSIONAL NETWORKING

We were honored to co-host the Professional Networking Event (Women in Produce) alongside the Canadian Produce Marketing Association (CPMA), bringing together produce professionals for an evening of meaningful connection, learning, and empowerment.

A heartfelt thank you to our keynote speaker, Dawn Gray, for her powerful and inspiring talk. Her leadership journey and candid insights resonated with all in attendance and reminded us of the strength and resilience within our industry.

Though the event spotlighted Women in Produce, it welcomed all—celebrating diversity, leadership, and the shared experiences that move our industry forward.

We are also deeply grateful to our event sponsors whose generous support made this evening possible:

Fresh Direct Produce • Krown Imports • Windset Farms • The Produce Terminal • Fresh Point • Star Group • Dexterous Workforce

Your commitment to community and industry growth is truly appreciated.

Thank you to everyone who joined us—we look forward to continuing these important conversations and creating more spaces for connection and leadership.
